## March Life Skill- Perserverance

This months life skill is Perserverance. This is very important as we prepare for our Grade Level assessments in April.

Please discuss Perserverance with your child. We will come up with a class list of examples of how to show perserverance in our next Class meeting.

### *• This Week's Schedule:*

Monday - A - Music

Tuesday - B -Art

Wednesday- C -P.E.

Thursday - D- Library

Friday - A - Music

## What Will We Be Doing Next Week?

### Communication Arts

This week our theme is Man's Best Friend. Our story is Dear Mrs. LaRue and we will be working on the skill of drawing conclusions by generating questions.

### Math

We are continuing our study of Customary Measurement. This week we will focus on capacity and weight. Our power drill skill this week is subtracting fractions with like demoninators.

### Science

This week students will be assessing their knowledge of ecosystems by making a comic. Our learning goal we will be focusing on is to describe how different environments/ecosystems support life. We will be wrapping up our moldy bread experiment and writing our conclusions.
